

Science

We will be exploring 'Living things and their Habitats.'

PE

Games

Swimming

D&T & Art

We will be looking at the skills involved in sketching and using these to draw things that we might find in our local environment. We will also be making model boats to sail in the river.

Computing

We will be using scratch to think about the inputs needed to create a quiz.

RE

Sacred Writings and Stories.

PSHE

SEAL theme of 'Relationships'

Music

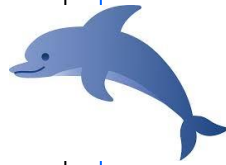

We will be exploring the 'Our environment' and 'Recycling' units on Music Express.

French:

'Where in the World' unit.

Geography & History

We will be looking at features of the natural world, such as rivers, mountains and volcanoes. We will also be looking at how our world is changing and what we can do to preserve it.

Dolphins Class

Summer Term

WOW Factors!

Walks around our local area exploring what natural features we can see.

This term our theme is...
'Our World'

Links to English / Mathematics Units

Year 4/5 English - following New 2014 National Primary Curriculum.

Plays

Non-chronological reports

Stories with issues and dilemmas

Poetry - riddles

Year 4/5 Maths - following New 2014 National Primary Curriculum.

Each term builds upon the last and consolidates what they know.

The class will cover all areas of maths during the one term including shapes and their properties, multiplication, addition, subtraction and division, graphs and tables, direction and measuring. We will be focusing on shape this term.
